**Declaration of Need for Financial Assistance Due to Federal Government Shutdown on October 1<sup>st</sup>, 2025.**

As a result of the Federal Government Shutdown that began on October 1st, 2025, many of our members are experiencing unexpected financial hardship. BOPTI Federal Credit Union recognizes the significant impact that this situation has on our community and is committed to supporting our members during this challenging time.

To provide immediate relief, BOPTI FCU will be offering a 30-day extension on loan payments for all loans that were in existence prior to October 1st, 2025. This extension is intended to help lessen the financial burden faced by our members. Should the government shutdown continue longer than anticipated, we will evaluate the situation and may extend this relief further based on the arising needs of our members.

We encourage any member affected by the shutdown to reach out to us to discuss their individual circumstances and available assistance options. To apply for financial assistance, please sign this form and return it along with a copy of your most recent government paycheck stub or other documentation that verifies your employment has been impacted by the shutdown. BOPTI FCU stands with you and will continue to monitor the situation closely to ensure our members receive the support they need.

I, \_\_\_\_\_, declare that I have been affected by the government shutdown and would like to request an immediate extension of my loan payment. I understand that interest will continue to accrue and that the payments will be added to the end of my loan contract.
